

**Supplemental/Bid Bulletin No. 05-01, 2019****Date of Issuance:** May 6, 2019**Contract ID No.:** 19PBTNMSC05-G**Project Name:** Supply, Delivery and Installation of Internet  
Leased Line 100 Mbps Dedicated Internet Connection  
via Fiber Optic Cable**PhilGEPS Reference No.:** 6162723

Pursuant to Section 22.5.2 of the IRR of RA 9184, this Supplemental/Bid Bulletin (SBB) No. 05-01, 2019, is hereby issued to clarify, modify or amend items in the Bidding Documents as stated below. Accordingly, this shall form an integral part of said document.

Issue	Clarification/Amendment												
Under Section V. Special Conditions of Contract (Page 51)													
Item no 11.4:													
“In consideration of the services to be provided by the supplier, payments shall be made by the Procuring Entity on a monthly basis after every service rendered by the service provider for twenty-four (24) months to be set forth on a billing/statement of account at such rates as may be authorized by the National Telecommunications Commission or any other government regulatory agency.”													
...shall be removed and transferred to Section VII.													
Under Section VII. Technical Specifications (Page 55)													
The following items shall be added (in tabular form) as requirements in addition to existing specifications:													
<table><tr><th>No.</th><th>Qualification Requirements</th><th>Statement of Compliance</th></tr><tr><td>1</td><td>Bidders should be a telecommunication company.</td><td></td></tr><tr><td>2</td><td>Bidders must have the capacity and ability to provide maintenance services and technical support.</td><td></td></tr><tr><td>3</td><td>Bidders should submit copies of Client Satisfactory Certificates from at least three (3) clients each for the last three (3) years for similar contracts. Similar contracts shall refer to 100 Mbps Leased Line Internet Connection via Fiber Optic Cable</td><td></td></tr></table>	No.	Qualification Requirements	Statement of Compliance	1	Bidders should be a telecommunication company.		2	Bidders must have the capacity and ability to provide maintenance services and technical support.		3	Bidders should submit copies of Client Satisfactory Certificates from at least three (3) clients each for the last three (3) years for similar contracts. Similar contracts shall refer to 100 Mbps Leased Line Internet Connection via Fiber Optic Cable		
No.	Qualification Requirements	Statement of Compliance											
1	Bidders should be a telecommunication company.												
2	Bidders must have the capacity and ability to provide maintenance services and technical support.												
3	Bidders should submit copies of Client Satisfactory Certificates from at least three (3) clients each for the last three (3) years for similar contracts. Similar contracts shall refer to 100 Mbps Leased Line Internet Connection via Fiber Optic Cable												

No.	Considerations During Testing Period	Statement of Compliance
1	The acceptance testing will be undertaken for a period of seven (7) days.	
2	The guaranteed Internet bandwidth of 100 Mbps Committed Information Rate (CIR) as primary connection is attained 24/7.	
3	Average latency should not exceed more than 20 milliseconds average round trip from NMSCST to ISP port and not more than 50 milliseconds average round trip from ISP port to US/International port.	
4	MRTG should be in place	
5	Assignment of 32 usable Public IP Addresses	
6	The provider must conduct an RFC test during the testing period to eliminate cyclic redundancy check (CRC) errors.	

**Note:**

- If any of the foregoing conditions are not met, the count of the testing period shall be restarted until all of these conditions have been duly satisfied continuously for 7 working days.
- In consideration of the services to be provided by the supplier, payments shall be made by the Procuring Entity on a monthly basis after every service rendered by the service provider for twenty-four (24) months to be set forth on a billing/statement of account.
- Start of the Contractor's billing shall be based on the date of issuance of "Certificate of Acceptance".
- NMSCST shall issue immediately the Certificate of Inspection and Acceptance to the Provider upon successful completion of the testing.

**Reminders:**

- Submission of bids will be on or before 15 May 2019, Wednesday 12:00 pm;
- Bidders shall sign all documents that need the signature of the authorized representative, and initial all pages of the bid; and
- Late bids shall not be accepted.

For guidance and information of all concerned.
